Boat Description

Jeanneau Merry Fisher 855 | Versatile Family Cruiser with New Mercury 300HP (2020)

The Jeanneau Merry Fisher 855 (2013) is a superbly maintained and highly versatile family cruiser, blending comfort, performance, and practicality. Designed for effortless coastal cruising and extended weekends afloat, she offers the ideal balance of sociable living space and dependable power.

Powered by a Mercury Verado 300HP outboard (new in 2020, only 71 hours) and last serviced in 2026, she delivers strong, smooth performance. Bow and stern thrusters ensure exceptional manoeuvrability in tight marinas. A 400L fuel tank supports extended cruising, while comprehensive 12V/220V electrics, shore power, and dedicated batteries provide reliable onboard systems.

Accommodation sleeps six in two cabins plus a convertible saloon. The forward master cabin features a comfortable double berth, with a second double in the aft guest cabin. The bright, open-plan saloon includes a starboard helm, convertible dining table, and linear galley, all benefiting from generous 1.98m headroom. A separate heads compartment with shower completes the layout.

On deck, she is equipped with a Lewmar electric windlass, CQR/Delta anchor with 12m chain, deck shower, Garmin plotter, VHF, and a 3D Light 2.8m tender with Suzuki 2.5HP outboard (2023). Currently lying in **Yarmouth, Isle of Wight.**

Exclusively offered for sale by Williams & Smithells International, specialists in quality brokerage yachts. Contact us today to arrange a viewing or request further details.

The condition or level of safety equipment on board is not to be negotiated on following survey. It is likely to be listed by most surveyors but is not structural or an integral working part of the vessel and is not to be used to further negotiate the price down after survey. We strongly suggest that for your own personal safety that when purchasing a yacht you provide new safety equipment rather than relying on second hand gear.

Should you become the new owner of this yacht then the responsibility to re-register or update official bodies for items such as EPIRB, VHF, MMSI or AIS becomes yours.

Additional Information
