Beam:	13	Draft:	
Engine Type:	Inboard	Engine Fuel:	Diesel
Price:	€299,950	Location:	Kremic Marina, Croatia

Boat Description

1997 Morris 46 for Sale – Upgraded Chuck Paine Offshore Cruiser with Elegant Interior

The Morris 46 is a rare find. Designed by Chuck Paine and built in the USA to semi-custom standards, she's an offshore cruiser that combines traditional craftsmanship, strong performance, and timeless good looks. This 1997 model has been continuously upgraded and is ready for serious passagemaking.

Key upgrades include a new Yanmar engine (2023), a carbon GMT mast, updated rigging (2020–2025), and modern navigation and power systems. Her GRP hull was professionally Awlgrip-painted in 2020. With a skeg-hung rudder and deep lead keel, she tracks well and handles confidently offshore.

The cutter rig is both practical and versatile, with sails by Challenge Fastnet. Lewmar winches, a Side-Power bow thruster, and an electric windlass simplify handling. Meanwhile, the power setup includes a Northern Lights generator, solar panels, Victron AGM batteries, and both 110V and 220V systems—ensuring full autonomy.

Below deck, the warm cherry interior follows the classic Herreshoff style. The forward cabin offers a spacious V-berth with plenty of storage. In the saloon, you'll find U-shaped seating, a full-size nav station, and a practical galley with premium appliances. A large heads with separate shower sits aft for easy access.

This Morris 46 is afloat and available now. Offered exclusively by Williams & Smithells International—specialists in bluewater yachts and offshore cruisers.

Construction

- Awlgrip painted (2020) black GRP hull
- Teak laid on GRP deck
- White GRP superstructure
- Fixed sprayhood
- Lead fin keel
- Skeg hung rudder
