Beam:	13.75	Draft:	
Engine Type:	Inboard	Engine Fuel:	Diesel
Price:	€39,500	Location:	Italy

Boat Description

1985 Grand Soleil 46 | Italian Performance Cruiser with Bluewater Pedigree

Crafted by Cantiere del Pardo and designed by Alain Jezequel, this Grand Soleil 46 blends speed, elegance, and offshore strength. 'Rahel' is a capable cruiser with excellent bones—an ideal choice for sailors willing to carry out some cosmetic or systems updates. Currently afloat in Augusta, Sicily, she presents a rewarding project for those with vision.

She's powered by a recently serviced Volvo Penta MD 30A (65HP) and equipped with in-mast furling for manageable sailing. The sloop rig and fin keel give her a strong performance profile, while a low-hours generator provides reliable off-grid power. Navigation includes a Raymarine C80 plotter and wind instruments. While updates are needed in areas such as electronics, hatch seals, and bathroom fittings, the structural condition and sailing characteristics remain sound.

Below deck, the layout is both spacious and practical. There are three cabins, including a forward master with ensuite, plus a bright saloon and functional galley. With accommodation for six (plus one in the saloon), this Grand Soleil 46 offers plenty of potential for extended cruising or full-time living.

Offered as a partial project yacht with pedigree and performance at her core. Contact Williams & Smithells International for more details or to arrange a viewing.

Construction

White GRP hull
Teak laid on GRP deck
White GRP superstructure
Fin keel
Wheel steering

Machinery

Volvo Penta MD 30A 65HP

Life buoy with light
Emergency tiller

The condition or level of safety equipment on board is not to be negotiated on following survey. It is likely to be listed by most surveyors but is not structural or an integral working part of the vessel and is not to be used to further negotiate the price down after survey. We strongly suggest that for your own personal safety that when purchasing a yacht you provide new safety equipment rather than relying on second hand gear.

Should you become the new owner of this yacht then the responsibility to re-register or update official bodies for items such as EPIRB, VHF, MMSI or AIS becomes yours.

Disclaimer

The Company offers the details of this vessel in good faith, in this case we are acting as Brokers only. Whilst every care has been taken in their preparation, the correctness of these particulars is not guaranteed. The particulars are intended only as a guide and they do not constitute a term of any contract. A prospective buyer is strongly advised to check the particulars and where appropriate at his own expense to employ a qualified Marine Surveyor to carry out a survey and/or to have an engine trial conducted which if conducted by us shall not imply any liability for such engine on our part. This vessel is offered subject to prior sale, price change, or withdrawal without notice. Please contact us to book an appointment to inspect any yacht before you book flights or pay for travel. This is to ensure you have a confirmed booking in our diary with the right amount of time allocated to inspect the yachts you want.
