Boat Description

1999 Feeling 306 – Lifting Keel Coastal Cruiser

Now exclusively available through Williams & Smithells International, this 1999 Feeling 306 is a versatile compact cruiser designed for ease of handling and shallow-water access. With her lifting keel and single rudder configuration, she offers exceptional flexibility for coastal cruising, family sailing, or exploring tidal waters.

Designed by Gilles Vaton and built by Kirié/Alliaura Marine, the Feeling 306 combines modern lines with proven French craftsmanship. Her Yanmar 18HP diesel engine provides reliable power, while her sloop rig features a roller furling genoa and slab reefing mainsail for straightforward sail management. Updated standing rigging from 2018/19, five self-tailing winches, and refreshed pipework in 2022/23 ensure confidence at sea.

A 50W solar mat, shore power, and Hi-tec battery charger support onboard systems. Navigation equipment includes autopilot, chart plotter, and VHF, with AIS ready for activation. On deck, her layout is practical and secure, ideal for both short hops and longer passages.

Below deck, the Feeling 306 offers a surprisingly bright and comfortable interior. She sleeps four in two private cabins, with a welcoming saloon, full galley, heads with shower, and plentiful storage. Her smart design makes her a perfect choice for first-time buyers or experienced sailors seeking a well-balanced cruiser.

Currently ashore at **Northshore Shipyard in Itchenor**, she is available for immediate viewing. Contact Williams & Smithells International today to arrange an appointment or request further details.

The condition or level of safety equipment on board is not to be negotiated on following survey. It is likely to be listed by most surveyors but is not structural or an integral working part of the vessel and is not to be used to further negotiate the price down after survey. We strongly suggest that for your own personal safety that when purchasing a yacht you provide new safety equipment rather than relying on second hand gear.

Should you become the new owner of this yacht then the responsibility to re-register or update official bodies for items such as EPIRB, VHF, MMSI or AIS becomes yours.

Disclaimer

The Company offers the details of this vessel in good faith, in this case we are acting as Brokers only. Whilst every care has been taken in their preparation, the correctness of these particulars is not guaranteed. The particulars are intended only as a guide and they do not constitute a term of any contract. A prospective buyer is strongly advised to check the particulars and where appropriate at his own expense to employ a qualified Marine Surveyor to carry out a survey and/or to have an engine trial conducted which if conducted by us shall not imply any liability for such engine on our part. This vessel is offered subject to prior sale, price change, or withdrawal without notice. Please contact us to book an appointment to inspect any yacht before you book flights or pay for travel. This is to ensure you have a confirmed booking in our diary with the right amount of time allocated to inspect the yachts you want.
