Beam:	26.7	Draft:	
Engine Type:	Inboard	Engine Fuel:	Diesel
Price:	£550,000	Location:	Lefkas, Greece

Boat Description

Lagoon 46 (2020) Where Freedom Meets Sophistication

The Lagoon 46 is a rare blend of performance, comfort, and modern elegance—crafted for sailors who refuse to compromise between luxurious living and exhilarating blue-water capability. Designed to elevate every moment on the water, this 46-foot sailing catamaran captures the spirit of adventure with generous living spaces, effortless handling, and premium charter-grade durability. Whether you're setting off on a family expedition, sharing unforgettable holidays with friends, or stepping into private yacht ownership, the Lagoon 46 delivers the perfect harmony of innovation and pleasure.

Step aboard and you're greeted by a sweeping aft cockpit designed as a true outdoor salon. Protected by a sculpted hard-top bimini, this is a space meant for entertaining—complete with an 80-liter cockpit fridge, generous seating and a cleverly designed sliding bench. Flowing seamlessly forward, the Lagoon 46's signature front cockpit invites relaxed conversation and panoramic ocean views from its U-shaped lounge, creating multiple social zones for family and guests to unwind.

Above it all, the expansive flybridge offers yet another sanctuary. With dual access staircases, a wide four-person sunbed, and an ergonomic helm position, it's the perfect vantage point to take in the horizon. Electric winches and optimized running rigging make sail handling intuitive even for small crews, while the heavy-duty mainsail, furling jib, and upgraded Stackpack LazyJack system ensure dependable performance in all conditions.

Inside, the Lagoon 46 reveals a light-filled saloon designed for both comfort and practicality. The panoramic windows, sliding forward opening, and intelligent layout create a warm, airy ambiance that feels like home. The convertible dining table transforms into an extra double berth when needed, and the L-shaped seating offers ample room for gatherings or quiet relaxation. Opposite, the well-equipped U-shaped galley features a 4-burner stove, oven, full-size fridge, separate fridge-freezer, microwave-grill, and abundant storage—perfect for extended cruising.

Below, the cabins deliver the private retreat every voyager craves. High-density foam mattresses, ample shelving and cabinetry, and large hull windows create bright and restful sleeping quarters. Each of the four ensuite heads includes an electric flush toilet, enclosed shower, and elegant resin-topped vanity. The attention to detail continues into the forepeak, where additional crew accommodation and a dedicated toilet expand your options for charter or blue-water exploration.

Beneath its refined aesthetic, the Lagoon 46 is engineered to travel far. Twin Yanmar 57HP engines, sound-proofed compartments, and 1,044 litres of fuel capacity give you the range and reliability to roam widely. A 600-litre freshwater supply, upgraded AGM battery bank, generator, solar panels, and a high-capacity watermaker ensure true self-sufficiency on the open sea. With powerful 36,000 BTU air-conditioning, B&G marine electronics, underwater lighting, and smart storage solutions everywhere, the Lagoon 46 is built for comfort in every latitude.

From tranquil bays to ocean crossings, the Lagoon 46 was created for owners who dream boldly and sail confidently. Blending contemporary design, superior craftsmanship, and the generous living spaces that define Lagoon's heritage, this catamaran sets a new benchmark in its class. Whether in private use or elevated through a premium charter program, the Lagoon 46 offers a gateway to effortless freedom—where every journey becomes a story worth telling.

Supplied to the current owners who had her in the Sunsail Charter scheme in Lefkas, Greece from July 2021, where she had little use until May 2022, the start of the Greek summer season, due to Covid. Ashore for winter and now in the private ownership of the British couple. She has benefited from professional servicing, care and maintenance throughout her life, together with a recent full out of water survey, she is now being presented in full owner-approved condition.

£550,000 VAT not paid

Construction

Built by Lagoon Catamarans, France in 2020

Designed by Van Peteghem/Lauriot-Prevost with the exterior design by Patrick le Quément and interior design by Nauta Design.

Polyester and high-quality anti-osmotic resin layup

Infused hull and deck

Balsa-cored deck and bridge deck

Marine plywood bulkheads (laminated or glued)

Composite longitudinal beam with forestay chainplate integration

Twin keels

Length Overall: 13.99 m (45' 11")

Waterline Length: 13.76 m (45' 1")

Beam: 8.10 m (26' 7")

Draft: 1.30 m (4' 3")

Displacement: 15,751 kg (34,727 lb)

Mast Height: 25.07 m (82' 3")

Sail Area: 140 m² (1,506 ft²)

Machinery

2 x Yanmar 4JH57 (57hp) diesel engines

Port engine – 2542 hrs

Starboard engine – 2575 hrs

2-blade fixed propellers

Sail drive units SD60

Seawater filters

Mechanical throttles at helm

Engine ventilation extraction

Sound-proofed engine compartments

Fuel shutoff valves & filters

Fuel gauge at main control panel

Air-conditioning: 36,000 BTU
Watermaker

Electrics

Generator (1865 hrs)
Solar panels
12V distribution panel with breakers
2 x 125A alternators
Start batteries: 2 x 110Ah
Service bank: 3 x 140Ah + 3 additional 140Ah (AGM upgrade)
Battery controller
LED interior & exterior lighting
Chart table light w/ red night mode
Deck courtesy lighting
Engine compartment lighting
40A + 60A battery chargers
Fusion stereo (salon, cockpit, flybridge)
Fans in saloon & cabins
USB sockets throughout

Tankage

Fuel Capacity: 1,044 L / 274 US gal (2 x 520 L tanks)
Fresh Water Capacity: 600 L / 158 US gal (2 x 300 L tanks)
Holding tanks: 2 x with deck pump-out
(tanks port and starboard sides, with switches for the pump out in the aft cabins.)

Water heater: 60 L (engine + electric)
Freshwater pressure system
Shower drainage pump with push-button control
Manual & automatic bilge pumps (each hull)

Accommodation

Saloon
Sliding door & window with lock-open feature
Laminate finish with solid wood trim
Simulated wood flooring
Large varnished table (interchangeable with cockpit table)
Table converts to double berth
L-shaped settee (starboard)
Abundant storage
Large sliding forward roof window
Ceiling panels: fabric or fiberglass liner

Galley
U-shaped galley
Synthetic resin countertop

Stainless steel sink w/ hot & cold mixer
4-burner stove
155 L upright fridge
65 L freezer drawer
90 L fridge drawer
Microwave with grill
Storage units throughout
Propane system with solenoid

Forward Cabins (Port & Starboard)

Double bed with high-density foam mattress
Under-bed drawer
Upper shelving
Opening deck hatch + hull porthole with blackout and mosquito curtains

Navigation

- Large nav console
- Chart desk with flap
- Storage niches
- B&G multifunction navigation instrumentation
- VHF + remote handset + second handset
- Navigation lights (LED)

Safety

6 × fire extinguishers
Lifejackets (×8)
Safety harnesses
Flare kit
Binoculars
Navigation tools (parallel rule, compass, dividers)

Tender:

Please Note that any tender/outboard shown on historic photos is NOT available for purchase, it no longer exists.

The condition or level of safety equipment on board is not to be negotiated on following survey. It is likely to be listed by most surveyors but is not structural or an integral working part of the vessel and is not to be used to further negotiate the price down after survey. We strongly suggest that for your own personal safety that when purchasing a yacht, you provide new safety equipment rather than relying on second hand gear.

Should you become the new owner of this yacht then the responsibility to re-register or update official bodies for items such as EPIRB, VHF, MMSI or AIS becomes yours.

Disclaimer

The Company offers the details of this vessel in good faith, in this case we are acting as Brokers only. Whilst every care has been taken in their preparation, the correctness of these particulars is not guaranteed. The particulars are intended only as a guide and they do not constitute a term of any contract. A prospective buyer is strongly advised to check the particulars and where appropriate at his own expense to employ a qualified Marine Surveyor to carry out a survey and/or to have an engine trial conducted which if conducted by us shall not imply any liability for such engine on our part. This vessel is offered subject to prior sale, price change, or withdrawal without notice. Please contact us to book an appointment to inspect any yacht before you book flights or pay for travel. This is to ensure you have a confirmed booking in our diary with the right amount of time allocated to inspect the yachts you want. Our yachts are not all in one marina, yard or harbour and in season do change locations. To avoid disappointment, call or email before you make travel plans. By contacting Williams & Smithells Ltd from this yacht portal or our website direct you are agreeing to providing us with your contact details relating to your interest in purchasing a yacht. We will use these details to contact you offering suitable yachts in the future. If you no longer wish to be send yacht details or promotional information please send an email stating you wish to opt out and be removed.
