# Boat Description

**Najad 360 | Ocean-Ready Swedish Bluewater Cruiser**

This Najad 360 is a proven bluewater cruiser built to the exceptional standards for which Swedish yacht builders are renowned. The 1988 model combines offshore capability, comfortable accommodation and practical sailing features, making her an excellent choice for long-distance cruising. Furthermore, her deep centre cockpit, fixed windscreen and skeg-hung rudder provide security and confidence at sea.

The long-fin keel delivers steady and predictable performance in a wide range of conditions. Meanwhile, the warm mahogany interior creates a welcoming atmosphere below deck. The two-cabin layout suits extended cruising, with a spacious aft owner’s cabin providing privacy and a forward V-berth accommodating family or guests. Additional saloon berths add flexibility for longer passages.

PINK MOON has benefited from careful maintenance and significant upgrades. A reliable Beta 35hp diesel engine, installed in 2015, has recorded low hours. In addition, new standing rigging fitted in 2023 provides added confidence under sail. Modern electrical systems include 410W of solar power, Victron battery management, upgraded batteries and Starlink connectivity. Recent improvements also include new halyards in 2024, a portable generator and a 70m anchor chain fitted in 2023.

On deck, the practical layout supports safe and efficient handling. A Lofrans Panther windlass, dinghy davits and a 2022 Quicksilver tender with Mercury outboard enhance everyday cruising. As a result, PINK MOON offers an impressive level of equipment for sailors planning extended adventures.

PINK MOON was sold by Williams & Smithells International on 25 September 2026. This Najad 360 is no longer available for purchase or viewing.

## Construction

White GRP hull with red stripe
Teak deck, bonded and screwed to GRP substrate; reportedly fully refurbished by a previous owner in 2016
Cream centre cockpit superstructure
Sugar scoop transom with bathing platform
Encapsulated fin keel
Skeg-hung rudder
Wheel steering
All seacocks reportedly replaced with TruDesign composite units in 2023

## Machinery

Beta engine, 35 HP, replaced in 2015
788 engine hours

Engine oil changed and engine run/checked February 2026; engine run periodically while ashore
2 liters per hour fuel consumption
Feathering propeller, shaft drive
Extensive tools and spares onboard, including power drill, buffer, grinder, sander, etc.

## Electrics

12V and 220V onboard voltage
4 x Varta LFD140Ah domestic batteries (560Ah total, new 2022)
Engine start battery – new February 2026
Victron Blue Smart 12V 30A battery charger (new 2022)
Shore power available
410W solar panels
Starlink dish and router with mount (new 2023)
Victron SmartSolar MPPT 100 | 30 Bluetooth charge controller
Victron battery monitor (installed 2022)
Electric switch panels
Mastervolt 600W inverter
Victron Phoenix Smart 12/2000VA inverter (uninstalled)
LINX Victron Energy Distributor (uninstalled)
Portable BLACK + DECKER 2200W inverter generator (brand new, never used)
Portable diesel fuel polishing system with filter and 12V fuel pump (new 2022)
Various electrical tools and spares

## Tankage

180 litres fuel capacity in 1 tank
300 litres water capacity in 1 tank
Holding tank installed

## Accommodation

Sleeps 6 – 2 in each cabin plus 2 in saloon
Forward cabin with V-berth and storage
Memory foam mattresses (new 2022)
Walkthrough saloon with L-shaped seating and table to port
Convertible double berth in saloon
Starboard bench/sofa seating
Navigation station to starboard
Walkthrough galley to port
Large aft cabin with offset double berth to starboard
Jabsco W/C (new 2022)
Porcelain sink and shower to starboard
New upholstery (2020)
Heads and galley re-varnished (2020)
LED lighting throughout

## Domestic

Eberspächer D4 diesel heating – not used during current ownership; inspection/service recommended before use
Dometic 3-burner cooker with oven (new 2017)
Double stainless-steel sinks with mixer tap
Isotherm fridge
30-litre calorifier – working on shore power when last used; service/check recommended

## Deck

Lofrans Panther Windlass
Bow anchor with 70m x 10mm galvanized calibrated chain (new 2023)
Leather wheel grip (new 2019)
Dinghy davits (new 2018)
2 x whisker poles
Halyards (new 2024)
Various mooring lines
Fenders
Teak cockpit table (2017)
Swimming platform and ladder
Cockpit and companionway re-varnished (2020)
Cockpit shower (new 2023)
Spray hood and bimini (new 2023)
