Beam:	9.28 feet	Draft:	3.61 feet
Engine Manufacturer:	Volvo	Engine Fuel:	
Price:	€127,000	Location:	Croatia

Boat Description

2001 Cayman 38 WA

This 2001 Cayman 38 WA presents a rare opportunity to acquire a one-owner yacht with exceptional care and provenance. Built with the robust Italian craftsmanship the brand is known for, she offers secure offshore capability and relaxed cruising comfort in an elegant, timeless profile.

Twin Volvo Penta TAMD 63 P engines, showing 1283 and 1285 hours, power the yacht with dependable performance. Both engines have been serviced exclusively by authorised Volvo Penta engineers, supporting long-term mechanical confidence. A Fisher Panda 5 kVA generator fitted in 2022, now at 220 hours, provides efficient onboard power. Quick bow and stern thrusters, upgraded batteries, and a clean 2023 structural survey further enhance peace of mind.

Her blue GRP hull stands out at berth and underway. Teak decks, a hydraulic passerelle, full winter covers, a bimini, and twin CQR anchors create a practical and inviting deck layout. The cockpit is arranged for comfortable passage-making and relaxed anchorage time, while davits and paddleboards add a playful touch.

The interior features two cabins, two electric heads, and a bright saloon trimmed in leather. A navigation desk and light finishes create a welcoming, functional space well suited to extended cruising.

Currently lying afloat at ACI Marina Kor?ula, she is ready for inspection and immediate enjoyment.

Contact us to arrange a viewing and receive the full service history.
