Boat Description

2018 Finnmaster Pilot 7 Weekender for Sale

This 2018 Finnmaster Pilot 7 Weekender is a lightly used, high-spec wheelhouse cruiser blending Scandinavian build quality with practical, all-season comfort. Designed for safe coastal cruising, she delivers confident performance and excellent usability in a compact, versatile package.

Powered by a Yamaha F200 with just 85 engine hours, recently serviced, she offers smooth, efficient running and easy handling. A bow thruster, electric trim tabs, and electric windlass further enhance control, whether manoeuvring in harbour or anchoring for the day.

The enclosed wheelhouse provides a warm, sheltered environment, featuring diesel heating, a gas hob, fresh-water sink, and a dinette that converts into a comfortable berth. Below, a sea toilet with holding tank adds convenience for extended day trips or overnight stays.

Outside, the spacious cockpit is arranged with cushioned seating, creating an ideal space for family cruising, socialising, or fishing. Wide side decks and secure access reflect Finnmaster's focus on safety and practicality.

Currently lying in Port Dinorwic, North Wales, this well-maintained Finnmaster Pilot 7 Weekender is ready for immediate use and available for viewing.

Contact us today to arrange an inspection or request further details.
