Boat Description

Jeanneau Merry Fisher 855 | Versatile Family Cruiser with New Mercury 300HP (2020)

The Jeanneau Merry Fisher 855 (2013) is a superbly maintained and highly versatile family cruiser, blending comfort, performance, and practicality. Designed for effortless coastal cruising and extended weekends afloat, she offers the ideal balance of sociable living space and dependable power.

Powered by a Mercury Verado 300HP outboard (new in 2020, only 71 hours) and last serviced in 2026, she delivers strong, smooth performance. Bow and stern thrusters ensure exceptional manoeuvrability in tight marinas. A 400L fuel tank supports extended cruising, while comprehensive 12V/220V electrics, shore power, and dedicated batteries provide reliable onboard systems.

Accommodation sleeps six in two cabins plus a convertible saloon. The forward master cabin features a comfortable double berth, with a second double in the aft guest cabin. The bright, open-plan saloon includes a starboard helm, convertible dining table, and linear galley, all benefiting from generous 1.98m headroom. A separate heads compartment with shower completes the layout.

On deck, she is equipped with a Lewmar electric windlass, CQR/Delta anchor with 12m chain, deck shower, Garmin plotter, VHF, and a 3D Light 2.8m tender with Suzuki 2.5HP outboard (2023).

Exclusively offered for sale by Williams & Smithells International, specialists in quality brokerage yachts. Contact us today to arrange a viewing or request further details.

The condition or level of safety equipment on board is not to be negotiated on following survey. It is likely to be listed by most surveyors but is not structural or an integral working part of the vessel and is not to be used to further negotiate the price down after survey. We strongly suggest that for your own personal safety that when purchasing a yacht you provide new safety equipment rather than relying on second hand gear.

Should you become the new owner of this yacht then the responsibility to re-register or update official bodies for items such as EPIRB, VHF, MMSI or AIS becomes yours.

Disclaimer

The Company offers the details of this vessel in good faith, in this case we are acting as Brokers only. Whilst every care has been taken in their preparation, the correctness of these particulars is not guaranteed. The particulars are intended only as a guide and they do not constitute a term of any contract. A prospective buyer is strongly advised to check the particulars and where appropriate at his own expense to employ a qualified Marine Surveyor to carry out a survey and/or to have an engine trial conducted which if conducted by us shall not imply any liability for such engine on our part. This vessel is offered subject to prior sale, price change, or withdrawal without notice. Please contact us to book an appointment to inspect any yacht before you book flights or pay for travel. This is to ensure you have a confirmed booking in our diary with the right amount of time allocated to inspect the yachts you want. Our yachts are not all in one marina, yard or harbour and in season do change locations. To avoid disappointment, call or email before you make travel plans. By contacting Williams & Smithells Ltd from this yacht portal or our website direct you are agreeing to providing us with your contact details relating to your interest in purchasing a yacht. We will use these details to contact you offering suitable yachts in the future. If you no longer wish to be send yacht details or promotional information please send an email stating you wish to opt out and be removed.
