# Boat Description

---

Hanse 355 is a 2011-built sailing yacht that melds German engineering precision with sleek, elegant design to deliver an unparalleled sailing experience. Perfect for seasoned sailors and maritime adventurers alike, the yacht's streamlined silhouette, spacious and ergonomically designed cockpit, and innovative self-tacking jib provide a combination of ease of control and comfort for both solo and group voyages. The interior design showcases an exquisite blend of modern style and practicality, with well-lit, luxurious cabins and a fully equipped galley for a relaxed and indulgent sailing experience. With its fusion of timeless beauty, state-of-the-art technology, and exceptional performance, the Hanse 355 is a vessel designed to provide memorable sailing adventures on the open seas.

Volvo engine 30hp, 12v, 24v, and 220v onboard voltages, a 90-liter fuel and water capacity, and a sloop rig with a Seldon aluminum mast and Lewmar winches. Its spacious accommodation features a double V-berth, walkthrough saloon, an L-shaped galley with comprehensive facilities, and over 6ft average headroom, complemented by Eberspacher cabin heating. The deck includes a Quick electric windlass, Delta and Kobra anchors, a passarelle, and a bimini with a sun awning, while the advanced navigation system features a Raymarine Axiom 9 plotter, autopilot, and VHF. Having been used for charter in the Baltic and cruising in Europe, the yacht also offers safety measures such as a 4-person life raft, fire extinguishers, bilge pumps, life jackets, and an inflatable dan buoy.

The condition or level of safety equipment on board is not to be negotiated on following survey. It is likely to be listed by most surveyors but is not structural or an integral working part of the vessel and is not to be used to further negotiate the price down after survey. We strongly suggest that for your own personal safety that when purchasing a yacht you provide new safety equipment rather than relying on second hand gear.

Should you become the new owner of this yacht then the responsibility to re-register or update official bodies for items such as EPIRB, VHF, MMSI or AIS becomes yours.
