Boat Description

Beneteau Oceanis 34 Limited Edition | Proven Offshore Capability

Built in 2013 and commissioned in 2015, this Beneteau Oceanis 34 Limited Edition is a superb example of one of Beneteau's most successful cruising yachts. Designed by Finot-Conq, "Nina" combines rewarding sailing performance, easy handling and comfortable accommodation, making her equally suited to family cruising, coastal passages and longer adventures afloat.

Well maintained and thoughtfully upgraded, she benefits from renewed sails, standing and running rigging, upgraded cockpit teak, electric windlass with remote control and refreshed canvas work. Her spacious cockpit, wide side decks and practical sail handling systems make her an enjoyable and confidence-inspiring yacht to sail short-handed or with crew.

Below decks, the bright three-cabin interior offers comfortable accommodation for family and guests, complemented by quality mahogany joinery, hot water, refrigeration and a well-equipped galley. Powered by a reliable Yanmar 29hp diesel engine and equipped with a comprehensive Simrad navigation suite including plotter and autopilot, she is well prepared for immediate cruising.

Attractively presented and well equipped throughout, this Oceanis 34 offers an excellent opportunity to acquire a proven and highly regarded cruising yacht ready to enjoy from day one.

Construction

GRP construction with cast iron bulb keel.

Machinery
