Boat Description

2002 Bavaria 40 Owner’s Version | Two Cabin Layout | Extensively Equipped Mediterranean Cruiser

This 2002 Bavaria 40 Owner’s Version is a well maintained and comprehensively equipped cruising yacht, ideally suited to Mediterranean cruising, extended adventures or comfortable liveaboard life. Having been extensively sailed by her current owners, she offers a proven combination of comfort, reliability and practical cruising capability.

Powered by a Volvo Penta 28hp sail drive engine professionally overhauled in Spain, she benefits from a substantial electrical upgrade including a 450Ah battery bank, Victron charger and inverter, Simarine monitoring system and solar panels mounted on a stainless steel arch. Her sailing inventory includes a furling genoa, in mast furling mainsail, plus gennaker and spinnaker, while navigation equipment includes radar, chart plotter, wind instruments and a heavy duty autopilot.

The sought after two cabin, two heads layout provides generous accommodation throughout, with a spacious owner’s cabin, bright saloon and ample storage. Upholstery, cushions and mattresses are all reported to be in excellent condition.

Additional highlights include an electric windlass, life raft, EPIRB, washing machine, large freezer and an almost new Highfield tender with Honda 6hp outboard.

A well equipped and comfortable cruising yacht, ready for her next adventure
