Boat Description

2006 Beneteau Oceanis 343 Clipper | Owner's Version | Extensive 2025 Upgrades

This 2006 Beneteau Oceanis 343 Clipper is a well-maintained and highly specified Owner's Version cruiser, privately owned from new and never chartered. Portuguese registered and presented in excellent condition throughout, she offers comfortable accommodation, proven sailing performance and a specification tailored towards extended cruising.

A major electrical refit completed in July 2025 included a 400Ah Victron lithium battery bank, 800W solar array, Victron MultiPlus inverter charger and Cerbo GX monitoring system, providing impressive onboard energy independence. Additional cruising upgrades include standing rigging replaced in 2021, diesel heating, portable air conditioning and a comprehensive navigation suite featuring Raymarine Axiom 9 chartplotter, radar, AIS and autopilot.

The spacious two-cabin layout includes a generous owner's cabin, large heads compartment and practical L-shaped galley. Combined with an extensive ground tackle inventory, liferaft, EPIRB, tender and outboard. Currently lying in **Cartagena, Spain**, this Beneteau Oceanis 343 is ready for immediate cruising and represents an excellent opportunity to acquire a genuinely turnkey yacht.
