Beam:	13.9	Draft:	
Engine Type:	Diesel	Engine Fuel:	Diesel
Price:	€230,000	Location:	Leros, Greece

Boat Description

2013 EGEYAT Custom 45 DS | One Owner | Never Chartered

Built in 2013 by EGEYAT in Turkey, this Custom 45 DS is a beautifully crafted deck saloon cruiser designed for comfortable long-distance sailing. Built for her original owner and never chartered, she combines quality construction, generous living space and a well-considered specification for extended cruising.

Powered by a 75hp Yanmar saildrive with Max Prop and equipped with a Side-Power bow thruster, she offers confident handling under both sail and power. Her Selden rig, self-tacking jib, UK Sails wardrobe and Harken winches provide a versatile sail plan that is equally suited to short-handed sailing or longer offshore passages. A comprehensive Raymarine navigation suite and substantial ground tackle complete her cruising credentials.

Below deck, the bright deck saloon features two spacious ensuite cabins, each with a separate shower, complemented by warm American Cherry joinery and a comfortable saloon with wraparound seating. The well-equipped galley includes a full-height refrigerator, freezer, cool box and washing machine, making extended time aboard particularly comfortable.

A renewed battery bank in 2024, 700W solar array, LED lighting throughout and a Highfield aluminium RIB with Yamaha outboard further enhance this impressive package. Carefully maintained throughout her life, this EGEYAT Custom 45 DS presents a rare opportunity to acquire a distinctive bluewater cruiser ready for her next adventure.

Construction

2013 custom-built by EGEYAT, Turkey
Hand-laid solid GRP hull
GRP deck and coachroof
Hard dodger
Fin keel
Spade rudder
Twin wheel steering
