Boat Description

2004 Jeanneau Sun Odyssey 49 | Four-Cabin Bluewater Cruiser

This 2004 Jeanneau Sun Odyssey 49 is a substantial cruising yacht designed for comfortable coastal sailing and longer offshore passages. Built by Jeanneau in France, HANDSOME DRAGON offers generous deck space, capable sailing performance and versatile four-cabin accommodation. The seller's documentation and 2023 survey record CE Category A for 10 persons.

A powerful Yanmar 4JH3-THE 110hp turbocharged diesel engine provides dependable propulsion, with 4,801 hours recorded. Recent checks in May 2026 covered the engine oil, heat-exchanger coolant and charging system. In addition, a bow thruster and shaft drive make handling straightforward. Her cruising systems include a watermaker, air conditioning, shore power and inverter capacity.

Under sail, the fractional sloop rig features a furling genoa and aluminium mast. An electric winch helps simplify sail handling, while the deck equipment includes an electric windlass, Delta anchor, teak decking, bimini and sprayhood. Raymarine navigation equipment, radar, autopilot, Garmin GPS and DSC VHF support longer passages.

Below deck, four cabins and four heads provide excellent flexibility for family and guests. A spacious saloon, dedicated navigation station and well-equipped galley create a practical living space for extended cruising.

With her powerful engine, bow thruster and comprehensive cruising inventory, HANDSOME DRAGON is a well-equipped Sun Odyssey 49 ready for her next adventure.

Construction

Solid GRP hull
Navy blue gelcoat topsides
Balsa-sandwich GRP deck construction
Teak deck, reported recaulked 2018
Iron fin keel
Twin wheel steering
Chain and wire steering system
Spade / blade rudder
CE Category A for 10 persons (recorded in seller documentation and 2023 survey)
HIN: FR-IRI00046B404

Machinery

1 x Yanmar 4JH3-THE 4-cylinder turbocharged marine diesel engine
110hp engine power
4,801 engine hours recorded in current seller documentation
Engine oil change, heat-exchanger coolant flush/replacement and charging-system check - May

2026

Engine mounted beneath companionway

Freshwater cooling

Shaft drive

Reverse gearbox

Fixed propeller

Electric Super Power bow thruster

Electrics

12v DC and 220/230v AC electrical systems

Shore power

Engine alternator

Domestic and engine batteries dated 2022

Windlass battery dated 2022

Bow-thruster battery renewed April 2026

12v / 60A battery charger, 2022

12v / 10A VHF battery charger

12v / 700W inverter

Additional 500W inverter (reported not connected at September 2023 survey)

Tankage

240L total fuel capacity in stainless-steel tank

700L total freshwater capacity across three plastic tanks

Fresh water flowmeter with analogue and digital readout

Accommodation

Four-cabin layout

Four heads

Two forward cabins

Two aft cabins

Saloon with dining area

Navigation station

Wood interior joinery

Manual toilet pumps

All four toilet pump assembly kits / gaskets replaced April 2026

Manually activated shower drain pumps

Domestic

Gas cooker with oven and grill

Dedicated drained gas locker with single-cylinder installation

Refrigerator

Freezer

220v / engine-heated hot water system

Pressurised freshwater system

Freshwater pressure pump renewed May 2025

Watermaker

One air-conditioning unit

TV

Stereo

Deck

Teak deck

Delta anchor and chain

Electric anchor windlass with foredeck control

Manual passerelle

Boarding ladder

Bimini

Sprayhood / dodger with new window April 2026

Deck shower

Manual cockpit bilge pump

Electric bilge pump with automatic float switch

2 x submersible bilge pumps with automatic float switches

Navigation

2 x magnetic compasses

Raymarine ST60 Wind

Raymarine ST60 Speed

Raymarine ST60 Depth
