Boat Description

Najad 460 – The Epitome of Scandinavian Craftsmanship

This luxury sailing yacht merges classic design with modern comfort, ensuring a refined onboard living experience without sacrificing the thrill of sailing. With its superior rigging and handling, the Najad 460 offers a sailing performance that appeals to both the seasoned mariner and the adventurous spirit eager to explore coastal gems or the vastness of the open sea.

Her centre cockpit design is enveloped by a sleek, round-bilge GRP hull and complemented by a teak-laid GRP deck, embodying durability with style. A Najad-specific windscreen protects the helm, while a bespoke solar arch and an elegantly integrated bathing platform enhance both functionality and onboard pleasure. Propelled by a robust Yanmar 4JH3-HTE, 96 HP turbocharged engine, the Najad 460 glides through waters with grace and power.

The interior is a haven of sophistication and comfort, with three well-appointed cabins accommodating up to six guests, alongside a spacious saloon, a U-shaped galley equipped with top-of-the-line appliances, and a comprehensive navigation station. The inclusion of a state-of-the-art Raymarine navigation suite, including an Axiom Pro chartplotter, underscores a commitment to safety and ease of navigation in any waters.

Construction

- Centre cockpit layout
- White round bilge GRP hull
- Teak laid on GRP deck
- White GRP superstructure
- Fixed trademark Najad windscreen
- Integrated bathing platform
- Custom solar arch (2022)

- 4 x Fire extinguishers
- Manual bilge pump
- Electric bilge pump

The condition or level of safety equipment on board is not to be negotiated on following survey. It is likely to be listed by most surveyors but is not structural or an integral working part of the vessel and is not to be used to further negotiate the price down after survey. We strongly suggest that for your own personal safety that when purchasing a yacht you provide new safety equipment rather than relying on second hand gear.

Should you become the new owner of this yacht then the responsibility to re-register or update official bodies for items such as EPIRB, VHF, MMSI or AIS becomes yours.

Disclaimer And Travelling To Inspect

The Company offers the details of this vessel in good faith. Whilst every care has been taken in their preparation, the correctness of these particulars is not guaranteed. The particulars are intended only as a guide and they do not constitute a term of any contract. A prospective buyer is strongly advised to check the particulars and where appropriate at his own expense to employ a qualified Marine Surveyor to carry out a survey and/or to have an engine trial conducted which if conducted by us shall not imply any liability for such engine on our part. This vessel is offered subject to prior sale, price change, or withdrawal without notice.

By contacting Williams & Smithells Ltd from this yacht portal or our website direct you are agreeing to provide us with your contact details relating to your interest in purchasing a yacht. We will use these details to contact you offering suitable yachts in the future. If you no longer wish to be sent yacht details or promotional information please send an email stating you wish to opt-out and be removed.

Please contact Williams and Smithells to book an appointment to inspect any yacht before you book flights or pay for travel. This is to ensure you have a confirmed booking in our diary with the right amount of time allocated to inspect the yachts you want. Our yachts are not all in one marina, yard or harbour and in season do change locations. To avoid disappointment, call or email before you make travel plans.
