The condition or level of safety equipment on board is not to be negotiated on following survey. It is likely to be listed by most surveyors but is not structural or an integral working part of the vessel and is not to be used to further negotiate the price down after survey. We strongly suggest that for your own personal safety that when purchasing a yacht you provide new safety equipment rather than relying on second hand gear.

Comments

Bought by the current British owners back in 2005. They have since sailed North Wales, Irish Sea, Adriatic & the Ionian, Greece.

A well equipped popular cruising yacht.
